# Layout and Setup

# Around the Green Games - Layout and Setup

The graphic opposite provides an example image of how we suggest you layout your class so that the learning outcomes and activities can be delivered in a safe, fun and engaging manner. We suggest running the class as follows:

- Stations 1, 2, 3 and 4 are **Game Stations**. At these stations the children play in pairs or play the games independently with supervision from the coach
- Children should rotate around the station and have approximately **5-7 minutes** to spend at each station. Each child should get an opportunity at each station during the class
- At the end of the session, the children can play one of the games as a group to add a social element to the class
- Safety is your top priority when running your class, please remember to;
  - Add your orange safety cones behind each station to identify to the children where they are required to stand when not hitting from within the hitting station
  - Dividers should be used to identify to hitting stations
  - Baskets should be placed to right to the side of the children and behind the hitting area
  - Children should never go in front of the hitting stations to collect a golf ball or golf club
  - Children should always exit the hitting stations from the rear by crossing the orange safety cones
  - Children should collect the golf balls in a group with all equipment left at the stations

# Physical Literacy

# Head, Shoulders, Knees and Toes - JUNIOR CAMP GAMES

## How to Play

Each child has a golf ball that they place at their feet. The coach calls out a number between 1 and 5. If the coach calls "1" the juniors have to place their hands on their head. If "2" is called, the juniors have to place their hands on their shoulders, "3" is knees, "4" is feet and if the coach calls "5" the children need to pick up the ball and jump into the air.

The coach should call slowly at first, then faster and faster before finishing the round by calling "5".

The winner is the first child to pick up their ball and jump into the air!

## Progression Ideas

- Allow the children to call the numbers
- Add in additional actions with more numbers

## Equipment Needed

Golf Balls

5!

# Around the Green Game Cards

# Closest to the Line

## How to Play

- Children take it in turns to hit their chip shot towards the string line
- The child that chips the ball closest puts a ball marker down to mark the team's best shot so far
- When the coach calls to switch games they should make a note of how close the best shot was to see which team was able to chip the ball closest

## Progression Ideas

- Vary the distance of the chip shot
- Let each child nominate which club the other has to use when doing their shot
- Introduce a fringe in front of the player and the ball only counts if the first bounce lands over the fringe

## Learning Outcomes

- Ability to control distance on a chip shot
- How to react to winning or losing the round

## Equipment needed

# Battleships

## How to Play

- One player is assigned one side as their ships and the other child is assigned the opposite. The aim of the game is for players to destroy the opposing player's ships by landing the ball into the box
- Players must nominate the ship they are attempting to destroy. If they are successful, they pick up the cones and return it to the start
- The game continues until one player has destroyed all of the opposing players ships

## Progression Ideas

## How to Play

- Players attempt to work their way up the ladder in order, starting by trying to hit their shots through the nearest gate
- If a child misses, the team remain on that gate
- If a child successfully hits the ball through the gate, they progress to the next step of the ladder
- The game is complete when the team have completed every step of the ladder in order

## Progression Ideas

- The children should try one shot on each leg, and if they struggle they should try with their feet together

## Progression Ideas

- Further difficulty can be added by standing on a noodle

- Once all the balls have been knocked off the children count how many balls they have collected and the one with the most is the winner

## Progression Ideas

- Increase or decrease the number of target balls to hit
- Add in a line of cones as a backstop and if the child's ball goes over the backstop then they have to put a ball back onto one of the tees
