

### CAMP GAMES GUIDELINES

- Through the camp week you can run a competition in teams
- Your juniors accumulate points as a team in specific games through the camp week which is detailed in the camp class plan
- You should get the juniors to create a team name and a team flag at the start of the camp
- The games selected are those most appropriate to allow juniors to accumulate points or points based on their position
- The scorecard should be used to record the points accumulated for each game and day of the camp
