Short Putts Challenge Setup

Setting out the Challenge

- A hole should be selected on the putting green on an average sloped surface
- The 6 foot diameter ring from your equipment bag can be used to mark the 3 foot distance
- 5 tee pegs should be placed around the hole at 3 feet, 4 feet, 5 feet and 6 feet. Cones have been used in the graphic opposite to represent these positions for the 3 foot circle
- Children can attempt the challenge depending on their progression level

Equipment Required

- 1 hole on the green
- 20 x tee pegs to mark the 5 starting positions at 3 feet, 4 feet, 5 feet & 6 feet

“PGA Pro” Says

How to Play

- This game is played individually and is similar to 'Simon Says'
- Introduce the children to the golf course areas marked out with the cones
- The coach starts every command with either "PGA Pro says....run to the green" or "run to the green"
- When a child follows the command without the "PGA Pro" saying it, they drop out of the game
- The child who wins is the one left at the end after following what the "PGA Pro" says

Progression Ideas

- Explore FMS skills during the game
- Ask the children if they know any Professional golfers and use their name instead of "PGA Pro"

Equipment Needed

Orange Safety Cones

10 x Green colored cones

10 x Blue colored cones

2 x Red colored cones

6 x Yellow colored cones

6 x White colored cones

Creative Independence

- The Whole Child theme this week is to encourage children to make their own decisions, both on the golf course and in life.
- Carry this them into the class by getting the children to play the games as individuals in this session because it will help test their individual skill.

Preparing to Play Putting Warm-Up

- The Learning the Game focus this week is about preparing to play, and how to best use your time before the round on the putting green.
- You should highlight to the children best practice of learning the pace of the green and getting confident hitting different lengths of putt.

Putting Pool

How to Play

- Children work together to 'pot' all of the balls in the rectangle (pool table)
- The first player attempts to putt the cue ball and hit one of the golf balls
- If they hit the golf ball, they pick it up and bring it back to the safety cone for the team
- The players cannot hit the sides of the rectangle, if they do they have to put a ball back into the middle
- The game is complete when all the balls have been collected or when the time runs out

Progression Ideas

- Increase or decrease the size of the rectangle
- Play the game on a sloped surface
- Introduce a rule that the players have to nominate the ball they are aiming for before they hit the putt, if they miss the ball they have to put one of the balls that have been collected back into the middle

Learning Outcomes

- This game is great for learning distance control on short putts
- Accuracy is of key importance
- Strategy comes into play, as the children have to assess which shot they will go for next

Equipment needed

2 x Orange safety cones

SAFETY

Golf balls

1 x String

4 x Tees

Finders Keepers

How to Play

- Children take it in turns to attempt to putt their ball to hit one of the colored cones. If successful they collect the cone
- If a player hits one of the two alternative colored cones, they must put one of the cones back into the middle
- The children complete the game when they have collected all of the coloured cones

Progression Ideas

- Vary the size of the targets
- Vary the distance between the cones and the starting point
- Vary the distance between the target cones
- Increase the number of cones that the children need to collect
- Introduce a sloping surface to the game

Learning Outcomes

- This game is great for improving accuracy of putts
- Children have to think which cones to aim for, strategic thinking is improved as they navigate the cones that are of a different color

Equipment needed

2 x Orange safety cones

SAFETY

Golf balls

1 x String

4 x Tees

10 x Cones in one color

2 x Cones in another color
