Cone Collector

How to Play

- Split the children into pairs, and line them up behind their safety cones
- When the coach shouts GO! The children run out and pick up the foam noodles
- One child must hold one end of the noodles and their partner must hold the other end
- The pair then have to work together to pick up the JGA cone without touching it with their hands
- The winning pair are the ones that can carry the JGA cone back to their safety cone

Progression Ideas

- Add in obstacles
- Introduce a time penalty for dropping the cone
- Introduce other objects to pick up using the noodles

Equipment Needed

3 x Orange safety cones

SAFETY

3 x JGA cones

6 x Foam noodles

Cognitive

Attitude towards learning

- The Whole Child theme this week is to develop a great attitude towards learning.
- Carry this theme into the class by hosting a mini quiz on some of the content and topics that have been shared over the previous classes.

Preparing to Play

What Time do you Arrive?

- The Learning the Game focus this week is about preparing to play, knowing when to arrive at the club, and when to be on the tee ready to play.
- You should highlight to the children that you should arrive at the tee at least 5 minutes before it is your tee time.

Single, Double, Triple - Putting

How to Play

- Children take it in turns to choose which distance they want to start from
- If the player starts from the 10 foot line and they putt the ball inside the 6 foot circle they score 1 point, 2 points if they hole the putt
- If the player starts from the 20 foot line they score double points; 2 points inside the 6 foot circle, 4 points if they hole the putt
- If the player chooses to start from the 30 foot line they score triple points; 3 points if they putt the ball into the 6 foot circle, 6 points if they hole the putt
- The game continues until both players have hit 5 putts, one from each color cone.
- The winner is the player who has the most points after 5 shots

Progression Ideas

- Change the distance between the cones
- Attempt the game on a sloped surface

Learning Outcomes

- Distance control
- Strategic thinking
- Understand risk and reward

Equipment needed

Orange Safety Cones

SAFETY

3 x Blue cones

3 x Green cones

3 x Yellow cones

3 x Orange cones

3 x White cones

6 foot diameter target ring

Putting Partners

How to Play

- In this game the players are working as a team. The aim is to keep their 3 golf balls in play for as long as possible
- Each player has to remain in their circle at all times
- The first player putts the balls towards their partner, who has to remain motionless in the circle
- Once the balls have come to rest the partner has to reach out and retrieve the balls without leaving the circle or touching the ground with their knees or elbows
- The second player is only allowed to putt back the balls they can reach
- The game ends when no balls are remaining

Progression Ideas

- Change the distance between the hoops
- Don't allow players to use their putter when retrieving balls
- Introduce a sloped surface when playing the game
- Change the number of balls being used

Learning Outcomes

- A great game to explore the concept of distance control and direction control
- Also a great game to promote team work

Equipment needed

Orange Safety Cones

SAFETY

2 x Hoops

3 x Golf Balls

Stick Shift

Finish Line

How to Play

- The children are working together to move the alignment stick from its starting point 10 feet away, to the finish line
- The children take it in turns to hit a putt towards the alignment stick
- The aim is to get the ball to stop within the length of the alignment stick. If they are successful they get to move the alignment stick one length further on
- If the player is not successful in putting the ball inside the length of the alignment stick they have to try again when it is their turn
- The team complete the game when they get the alignment stick past the finish line

Progression Ideas

- Increase or decrease the starting distance and the finish line distance
- Add in a rule whereby the player has to move the alignment stick back one distance if they are not successful

Learning Outcomes

- The primary learning outcome is control of distance
- Consistency of distance control

Equipment needed

Orange Safety Cones

SAFETY

2 x Cones to mark out the necessary hitting stations.

Spare equipment that may be required for the group attendees.

1 x Golf ball

1 x Alignment Sticks

2 x White cones for the finish line
