Creative Imagination

- The Whole Child theme this week is to encourage the children to use their imagination in practice and on the golf course.
- Carry this theme into the class by urging children to imagine the shot they're going to hit before each shot and explain how this can help them to hit successful shots more regularly.

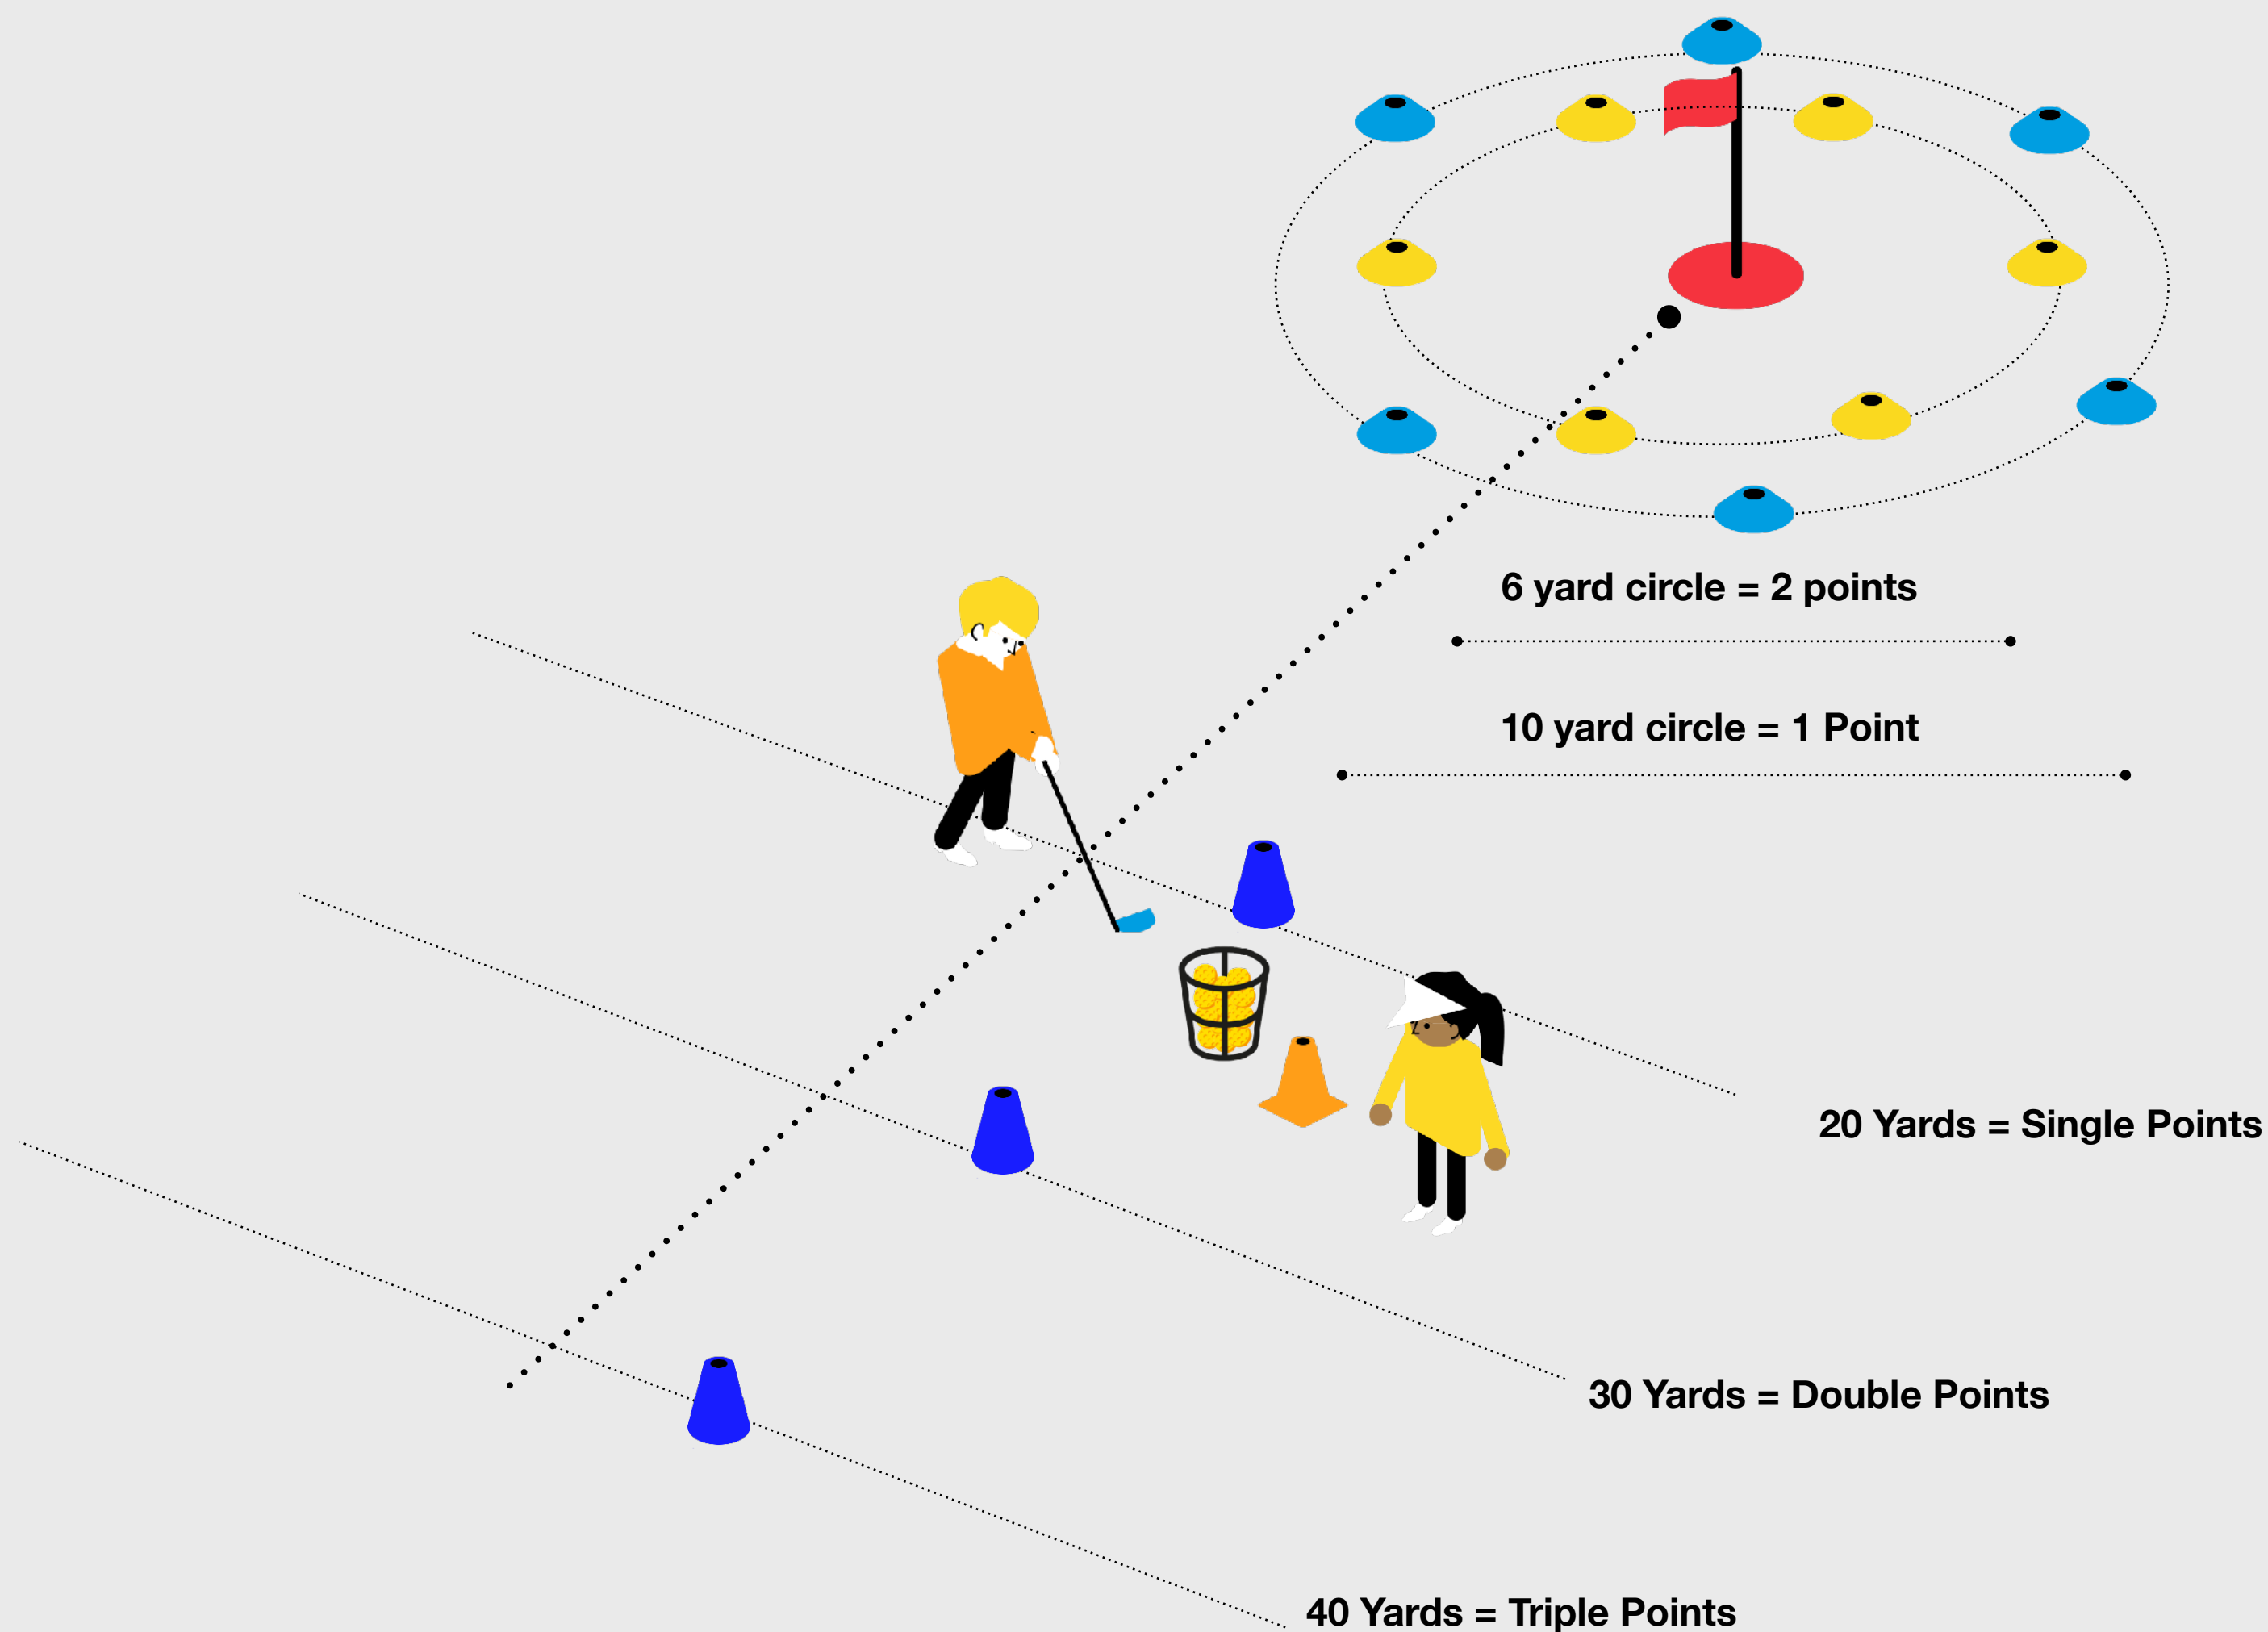

Rules and Etiquette

How many clubs are you allowed in your bag?

- The Learning the Game focus this week is about the different clubs in your bag and how many you are allowed to use.
- You should make sure your juniors understand they don't need to have 14 clubs to play golf well, but that is the maximum number any player is allowed.

Single, Double, Triple - Chipping

How to Play

- Players take it in turns to choose which distance they want to start from
- If the player starts from the 20 yard line and they chip the ball inside the 10 yard circle they score 1 point, or 2 points for the 6 yard circle
- If the player starts from the 30 yard line they score double points; 4 points inside the the 6 yard circle, or 2 points for the 10 yard circle
- If the player chooses to start from the 40 yard they score triple points; 6 points for pitching the ball into the 6 yard circle and 3 points if they chip the ball into the 10 yard circle
- The game continues until both players have hit 5 shots, the winner is the player who has the most points after 5 shots

Progression Ideas

- When the child successfully gets the ball into the hoop that has been nominated, they place their colored cone into the centre of the hoop
- The child who wins is the one who makes 3 in a row in one direction

Progression Ideas

- Vary the distance between the hoops
- Vary the distance between the starting point around the green and the hoops
