## **Class Layout and Setup**

Station 1: Game Station C.O.P.Y me

Station 2: Game Station Stepping Stones

Station 3: Game Station Masters Challenge

Station 4: **Free Practice Station** 

 $(\equiv)$ 

### **Capture the Cone**

Team 1's Safety Zone

#### How to Play

- This game is best played in two teams. Split the children evenly and allocate each team a base on opposite sides of the playing area
- Team 1 is trying to capture Team 2's "JGA" cone and vice versa
- When a player ventures over the halfway line they are at risk of being tagged by the opposing team. If they are tagged they must go back to their safety zone and wait there until a member of their team tags them back in or for a designated period of time, e.g. 5 seconds
- The game is won when a player manages to capture the opposing team's "JGA" cone and return it to their base without being tagged

#### **Progression Ideas**

- Increase or decrease the area that the game is played depending on the number of players
- Introduce different FMS such as jumping, hoping or side steps

#### **Equipment Needed**

### Social Teaching your Parents

- things they have learnt in class.

### **Playing and Scoring** Shouting Fore!

- shouting "Fore"!

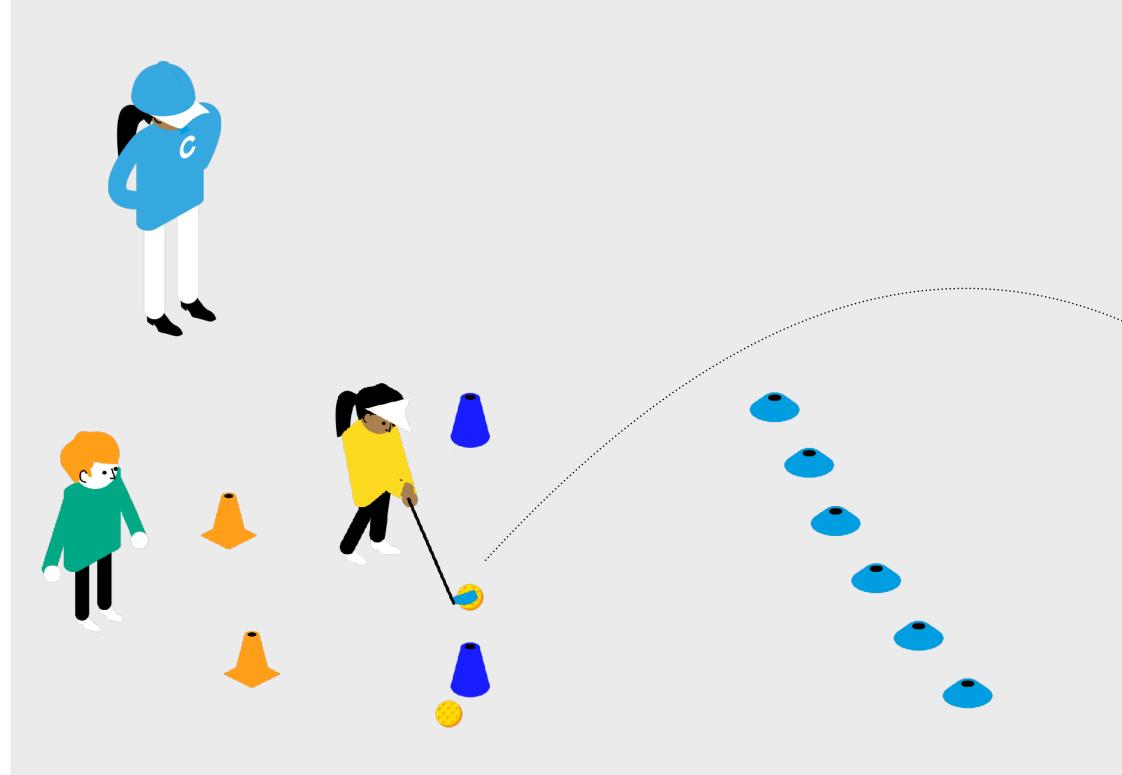

• Carry this theme into the class by encouraging to the children to relay the information they learned within the focus part of the class to their parents. In addition, they could show them a more

• The Learning the Game focus this week is to make sure that children understand the importance of

• You should make sure that children know what to do when they hear the shout of "Fore"

### **The Masters Challenge**

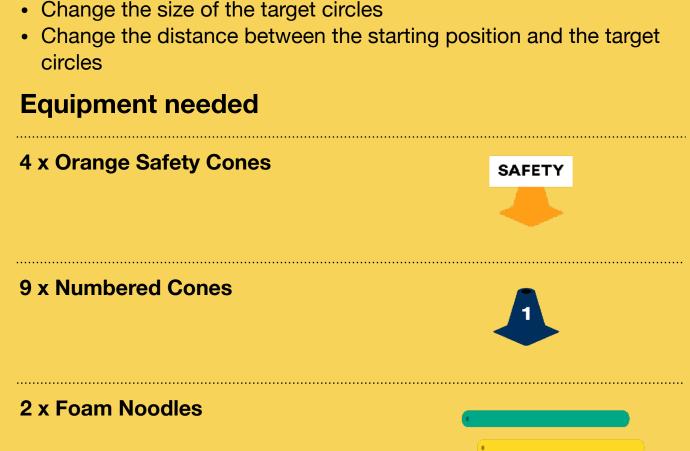

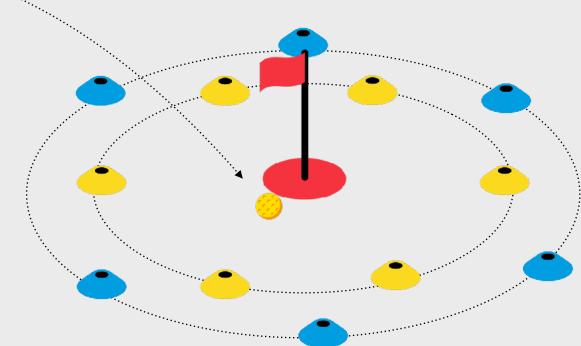

#### How to Play

- Explain how the line of blue cones represents a river, just like the famous 12th hole at The Masters
- Players take it in turns to hit shots over the "river" and into the target circles
- If their ball doesn't go in the air over the line of blue cones then any points scored do not count
- Players score 2 points for the inner circle and 1 point for the outer circle
- The aim is to score the most points after each player has hit 10 shots

#### **Progression Ideas**

- Vary the distance to carry the ball over the river
- Vary the club that is being used
- Vary the lie of the ball on the ground
- Change the size of the target circles
- circles

### **Stepping Stones**

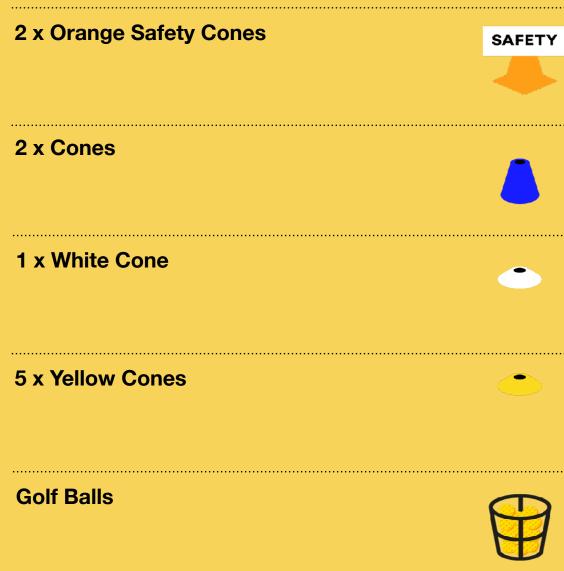

#### How to Play

- Child number 1 starts and attempts to hit their shot onto the green
- If the child hits it onto the green, then the child moves the white cone to the first colored cone (stepping stone). If the child misses, the cone stays where it is
- The next child attempts their shot and moves the cone if successful
- The children complete the challenge if they manage to get the white cone to the end before it is time to switch games

#### **Progression Ideas**

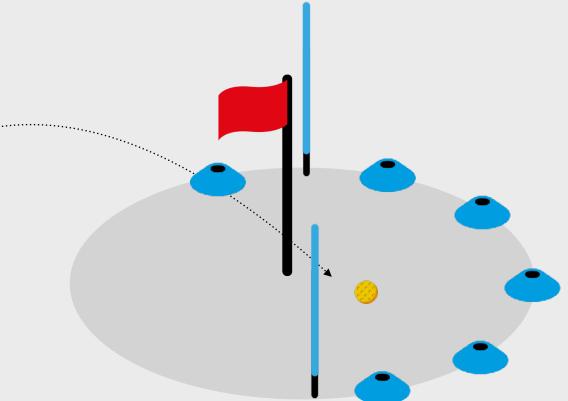

- Vary the size of the green
- Vary the distance between the tee box and the green
- Add Hazards to act as a penalty
- Add additional targets to increase the number of moves up the stepping stones

#### **Equipment needed**

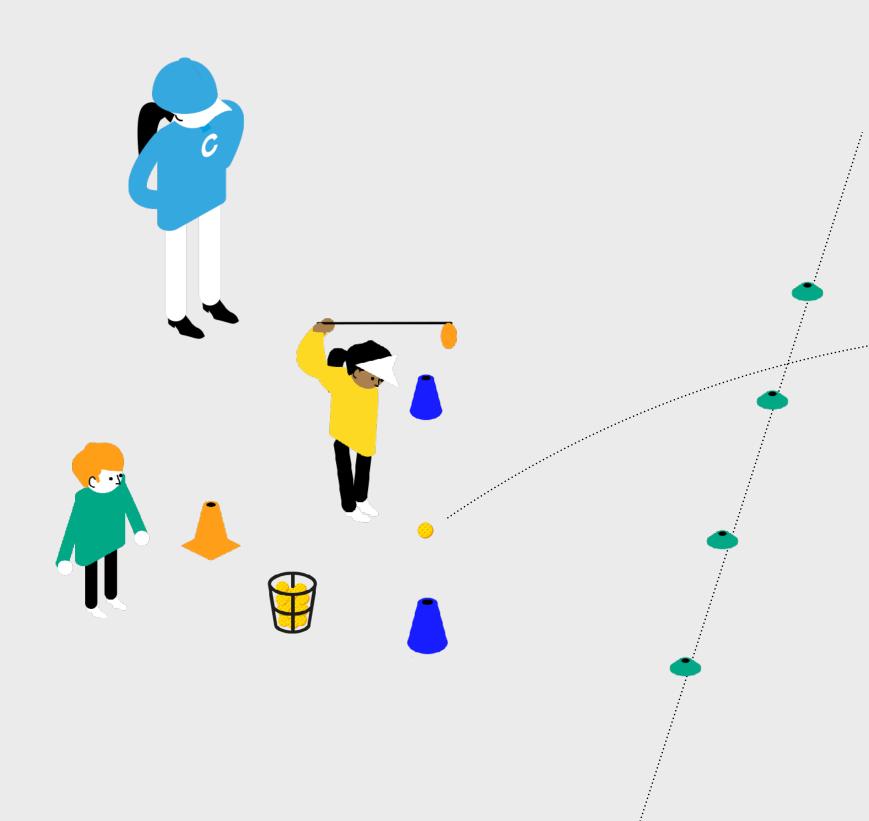

Spare equipment that may be required for the group attendees.

### C.O.P.Y me

#### How to Play

- The children should take it in turns to choose a shot for their partner to replicate
- If the child cannot produce the shot themselves they receive a letter "C"
- If their partner does not manage to replicate the intended shot they receive a letter "C"
- The game continues until one learner has completed the word "COPY" then they lose

#### **Progression Ideas**

• Make it target based as well

#### **Equipment Needed**

Orange Safety Cones

Cones to mark out the necessary hitting stations.

Golf balls

6 x Cones to build a target pyramid
