Layout and Setup

Class Layout and Setup

The graphic opposite provides an example image of how we suggest you layout your class so that the learning outcomes and activities can be delivered in a safe, fun and engaging manner. We suggest running the class as follows:

- Station 1 is the **Challenge Station**. This is where the child, under the supervision of the coach, can attempt the Mastering the Game Challenge to achieve their Achiever Sticker, virtual reward on GLF. Connect and work towards their pins and hats
- Stations 2 and 3 are **Game Stations**. At these stations the children play in pairs or play the games independently with occasional supervision from the coach
- Station 4 is the **Free Practice Station**. It is at this station the child can develop their fundamentals under guidance from the coach, away from any form of game or competitive play. Those in the Practice Station rotate with their partner in the Challenge Station. You may decide the layout a technical drill if appropriate for the child
- Children should play in pairs, with stations 1 and 2 being a pair, another pair at station 3 and the last pair at station 4
- Children should rotate around the stations, with each pair spending approximately **8 minutes** to spend at each station. Each child should get an opportunity at each station during the class
- Safety is your top priority when running your class, please remember to;
 - Add your orange safety cones behind each station to identify to the juniors where they are required to stand when not hitting from the hitting station
 - Dividers should be used to identify the hitting stations
 - Baskets should be placed to the side of the golfers and behind the hitting area
 - Juniors should never go in front of the hitting stations to collect a golf ball or golf club
 - Juniors should always exit the hitting stations from the rear by crossing the orange safety cones

Scoring Challenge Setup

Setting out the Challenge

- 9 holes should be selected on the putting green on an average sloped surface
- 3 cones are placed opposite 3 holes at 10 feet, 3 cones at 20 feet and 3 cones at 30 feet
- You can use your string to clearly define each putting hole
- Children can attempt the challenge depending on the progression level they are on by playing the required number of holes and distances

Equipment Required

- 9 holes on the green
- 9 numbered starting cones
- String
- Scorecard and pencil

Physical Literacy Warm Up Game

Head, Shoulders, Knees and Toes

5!

How to Play

Each child has a golf ball that they place at their feet. The coach calls out a number between 1 and 5. If the coach calls "1" the juniors have to place their hands on their head. If "2" is called, the juniors have to place their hands on their shoulders, "3" is knees, "4" is feet and if the coach calls "5" the children need to pick up the ball and jump into the air.

The coach should call slowly at first, then faster and faster before finishing the round by calling "5".

The winner is the first child to pick up their ball and jump into the air!

Progression Ideas

- Allow the children to call the numbers
- Add in additional actions with more numbers

Equipment Needed

Golf Balls

Fundamental Movement Skills (FMS)

During your Warm Up Game, explore a range of Fundamental Movement Skills (FMS). The children should be encouraged to experiment and develop these movements and you can tailor the difficulty of the specific movement to each child or warm up game.

Kick

Explore this skill using both feet, different parts of the foot and kicking in the air and on the ground

Throw

Explore this skill using both arms, underarm and overarm throws as well as at a range of heights

Skip

Explore this skill using a rope and in dynamic motion at a range of speeds

Run

Explore this skill at a range of speeds, and going backwards

Hop

Explore this skill by alternating legs on the spot and in dynamic motion

Side-step

Explore this skill by alternating sides, touching heels and crossing legs

Dodge

Explore this skill by getting the child to dodge static and dynamic obstacles at a range of heights

Jump

Explore this skill by exploring the movement in multiple directions

Stand on one leg

Explore this skill by exploring balancing on both legs

Crawl

Explore this skill by exploring using different segments of the body

The Whole Child

Creative

Create your own game

The Whole Child theme this week is to encourage the children to create their own games when they are playing and practicing.

Carry this theme into the class by encouraging every child in the class to pitch in with ideas for games. The games designed by children should result in increased engagement, meaning they will be more likely to play the games for longer and therefore improve.

It should be highlighted that the Achiever Award is presented to the child that demonstrates creativity In coming up with their own games to play.

Taking the time to highlight this to the parents and children at the end of the lesson will reinforce the characteristics that embody the Junior Golf Academy program.

An Achievement Sticker can be added to the myAcademy Folder if applicable to your program.

**JUNIOR GOLF
ACADEMY**

Reinforcing positive behaviours

There are lots of ways to reinforce the positive behaviours we want to see in your junior golfers.

Non-verbal reinforcement:

- Thumbs up
- Nod of your head
- A smile

Personal verbal reinforcement:

- “Love that attitude”
- “That’s the attitude we’re looking for”
- “Great effort, keep it up”

Group reinforcement:

- Stop the class, get everyone together, and highlight the behaviour you observed, and why you liked it
- Awarding the Achiever reward at the end of the lesson is a great opportunity to reinforce positive behaviours
- Be sure to pinpoint two or three moments in the lesson that stood out to you and praise the children involved

Learning the Game Focus

Preparing to Play

Pre-round routine

The Learning the Game focus this week is to create a pre-round routine.

You should highlight the importance of a pre-round routine and how it can influence performance.

Be sure to highlight some key parts of your pre-round routine to help the children create their own.

Carry this theme throughout the class and reward any behaviours with an achievement sticker.

Questions to Ask

- What are the key things to do before you start a round of golf?
- What do the top players include in their pre-round routine?
- Who has a pre-round routine already?

Mastering the Game Cards

Tic Tac Toe - Putting

How to Play

- One child is the X's and the other child is the O's
- The objective is for the child to place their colored cones into the center of the box by putting the ball into the box.
- When the child successfully gets the ball into the box that has been nominated, they place their colored cone into the centre of the box
- The child who wins is the one who makes 3 in a row in one direction

Progression Ideas

- Vary the size of the boxes
- Vary the distance between the starting point on the green and the boxes
- Increase the number of shots that must go into the boxes before the box is owned

Learning Outcomes

- Distance and directional control
- Game strategy
- Acceptance, that you cannot always control the outcome

Equipment needed

Orange Safety Cones

SAFETY

2 x Cones

String and 16 tees to create the grid

Colored cones for one team

Colored cones for the other team

Golf Balls

Spare equipment that may be required for the group attendees.

Kentucky Derby

How to Play

- Nominate a child to play first. Both players place their cone opposite the first starting cone
- From the starting cone at 10 feet, any putt that is holed allows the player to jump three cones. Any ball finishing in the target circle but past the hole jumps two cones. Any putt that finishes in the target circle but short of the hole moves one cone
- The player who wins is the one who reaches the final colored cone first

Progression Ideas

- Change the distance between the starting cone and the hole
- Change the distance between each of the cones
- Introduce a rule where the number of attempts is limited otherwise the player moves back a step
- Attempt the game on a sloped surface
- Change the size of the target circle

Learning Outcomes

- A great game to explore the concept of distance control and direction control
- This game will also explore skill development under pressure
- This game will also explore green reading skills over varying distances

Equipment needed

2 x Orange Safety Cones

SAFETY

10 x Colored Cones

1 x Colored Cone

1 x Colored Cone

Mastering the Game Challenge Cards

Scoring Challenge

The Challenge

To complete the Level 1 Challenge within the Scoring skill element, the child needs to score 12 putts or less over 3 holes on the putting green starting 10 feet away on each hole.

What to do next?

If the child completes the challenge, they can colour in the specific level of correct category for *myGame Wheel* in their junior folder. They can also add a Sticker to the correct level tracker sheet.

If they are also assigned to the Junior Golf Academy *myGame+* program on GLF, the challenge can be marked as complete and the virtual rewards will be issued automatically.
