Layout and Setup

Class Layout and Setup

The graphic opposite provides an example image of how we suggest you layout your class so that the learning outcomes and activities can be delivered in a safe, fun and engaging manner. We suggest running the class as follows:

- Stations 1, 2 and 3 are **Game Stations**. At these stations the children play in pairs or play the games independently with occasional supervision from the coach
- Station 4 is the **Free Practice Station**. It is at this station the child can develop their fundamentals under guidance from the coach, away from any form of game or competitive play. You may decide the lay out a technical drill if appropriate for the child
- Children should play in pairs, with stations 1 and 2 being a pair, another pair at station 3 and the last pair at station 4
- Children should rotate around the stations, with each pair spending approximately **8 minutes** to spend at each station. Each child should get an opportunity at each station during the class
- Safety is your top priority when running your class, please remember to;
 - Add your orange safety cones behind each station to identify to the juniors where they are required to stand when not hitting from the hitting station
 - Dividers should be used to identify the hitting stations
 - Baskets should be placed to the side of the golfers and behind the hitting area
 - Juniors should never go in front of the hitting stations to collect a golf ball or golf club
 - Juniors should always exit the hitting stations from the rear by crossing the orange safety cones

Physical Literacy Warm Up Game

Golf Baseball

JUNIOR GOLF
ACADEMY

How to Play

- This game is best played in two teams. Split the children evenly.
- One team starts as the fielders and one team starts as the hitters. The hitting team number themselves and the fielding team disperse to the outfield and bases.
- Player number 1 plays first and gets 3 attempts before 'striking out'. When the player strikes the ball, they immediately drop the club and run to first base.
- Players attempt to get round the bases in one go to score a 1 point. Players who make it round but stop at a base score half a point.
- Players swap over once all hitters have struck out, been caught or didn't make it to a base.

Progression Ideas

- Reduce the number of attempts before striking out.

Fundamental Movement Skills (FMS)

During your Warm Up Game, explore a range of Fundamental Movement Skills (FMS). The children should be encouraged to experiment and develop these movements and you can tailor the difficulty of the specific movement to each child or warm up game.

Kick

Explore this skill using both feet, different parts of the foot and kicking in the air and on the ground

Throw

Explore this skill using both arms, underarm and overarm throws as well as at a range of heights

Skip

Explore this skill using a rope and in dynamic motion at a range of speeds

Run

Explore this skill at a range of speeds, and going backwards

Hop

Explore this skill by alternating legs on the spot and in dynamic motion

Side-step

Explore this skill by alternating sides, touching heels and crossing legs

Dodge

Explore this skill by getting the child to dodge static and dynamic obstacles at a range of heights

Jump

Explore this skill by exploring the movement in multiple directions

Stand on one leg

Explore this skill by exploring balancing on both legs

Crawl

Explore this skill by exploring using different segments of the body

The Whole Child

Social Appreciation

The Whole Child theme this week is about showing appreciation, this could be to your playing partners, your parents, or even your coach!

Carry this theme into the class by asking the children at the end of the session what they appreciate the most about coming to classes.

It should be highlighted that the Achiever Award is presented to the child that shows appreciation.

Taking the time to highlight this to the parents and children at the end of the lesson will reinforce the characteristics that embody the Junior Golf Academy program.

An Achievement Sticker can be added to the myAcademy Folder if applicable to your program.

Reinforcing positive behaviours

There are lots of ways to reinforce the positive behaviours we want to see in your junior golfers.

Non-verbal reinforcement:

- Thumbs up
- Nod of your head
- A smile

Personal verbal reinforcement:

- “Love that attitude”
- “That’s the attitude we’re looking for”
- “Great effort, keep it up”

Group reinforcement:

- Stop the class, get everyone together, and highlight the behaviour you observed, and why you liked it
- Awarding the Achiever reward at the end of the lesson is a great opportunity to reinforce positive behaviours
- Be sure to pinpoint two or three moments in the lesson that stood out to you and praise the children involved

Learning the Game Focus

Rules and Etiquette

The Tee

The Learning the Game focus this week is to learn how to use a Tee.

You should make sure children know when and where they can use a tee on the golf course.

For more advanced groups, highlight that different tee heights can produce different shot types and this can be used to their advantage when playing.

Carry this theme throughout the class and reward any behaviours with an achievement sticker.

Questions to Ask

- Who is responsible for repairing pitchmarks on the green?
- How does a pitchmark happen?
- Should you only repair your own pitchmark?

Mastering the Game Cards

Power Play

How to Play

- Children take it in turns to do a standing long jump from the first set of cones, seeing if they can jump past the next two sets of cones
- After jumping as far as possible they then try to hit the ball as far as possible
- The children take it in turns to do this, each time trying to beat their personal best long jump, and furthest shot

Progression Ideas

- Vary the movement before each shot, furthest hop, throw, etc.
- Add different targets to aim for when hitting
- Use different clubs to see which ones go the furthest

Learning Outcomes

- Improve strength and power
- Learn how improving different movement skills can improve their golf shots

- The aim is to get to the last cone and strike the ball well

Progression Ideas

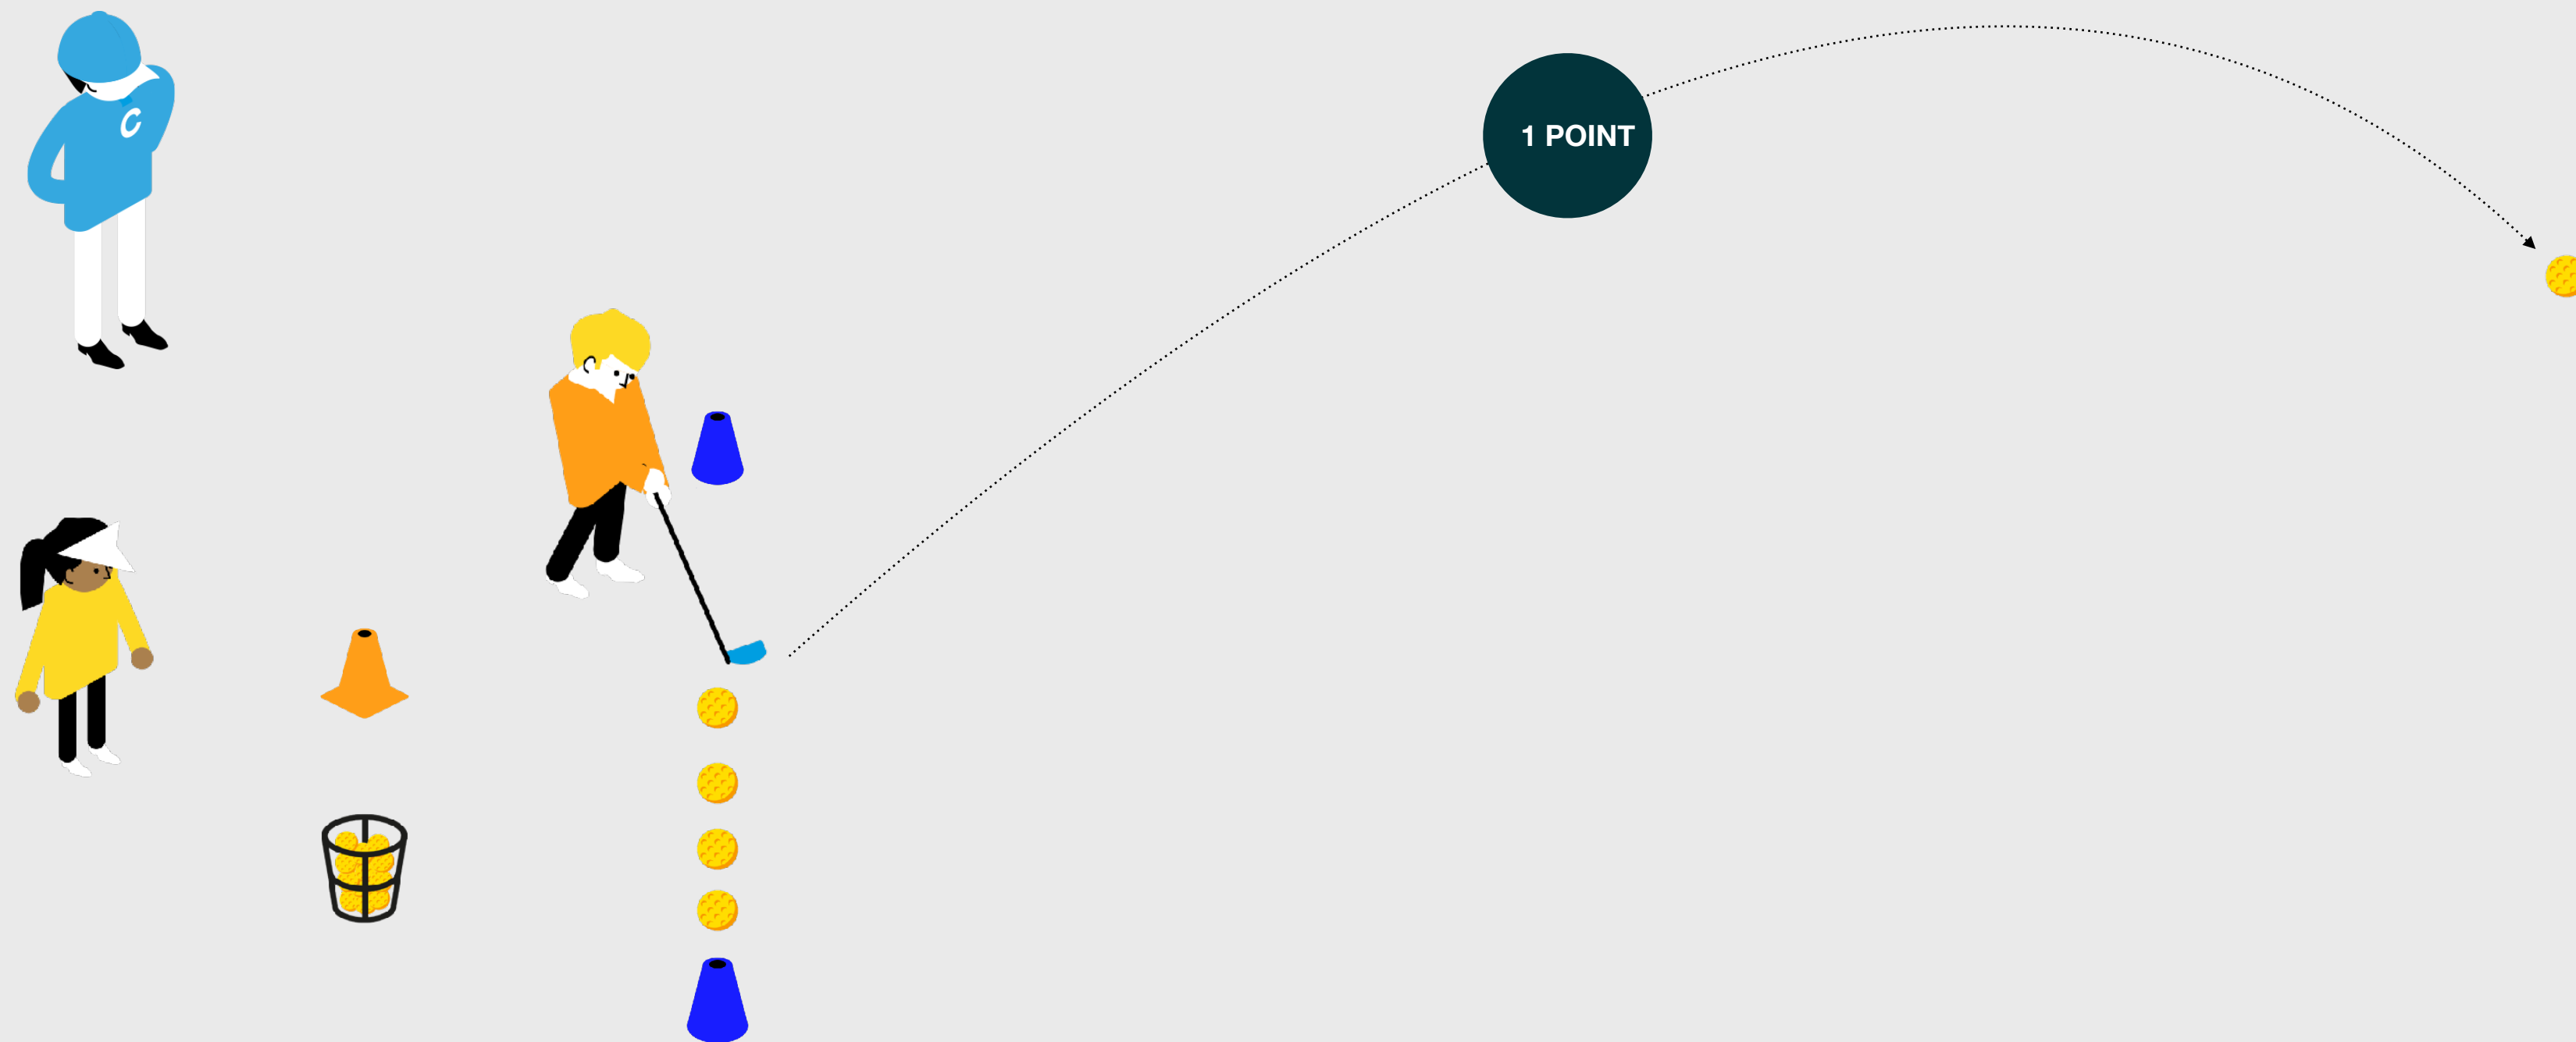

- Set a distance target that the children have to hit the ball past
- Set a direction target that the children have to hit the ball between
- Increase the number of cones the children have to start from in their run up to the ball

- The child scores 1 point for hitting the ball high, 1 point for hitting it far, and 1 point for hitting it straight
- The child that gets the most points from their 5 shots wins

Progression Ideas
