

# Around the Green

# Tug of War

## How to Play

- Child number 1 starts and attempts to hit their shot to the target
- Then the next child attempts their shot. The player who hits it nearest to the target moves the cone one place to their side
- The winner is the one who gets the centre white cone to their end cone

## Progression Ideas

- Vary the target on each shot
- Vary the distance between the tee box and the green
- Add hazards for penalty cones
- Add different targets to increase the number of moves across the cones

## Learning Outcomes

- Improve overall ability to strike the ball well, control direction and consistency of distance

Golf Balls

# G.O.L.F

## How to Play

- Nominate one of the children to play first
- The first player nominates the area of the golf course they are trying to hit, the green, the lake or the bunker. If the child hits the target, the opposing player needs to match them.
- If the opposing player doesn't hit the target, they get the first letter "G"
- The second player then nominates the target and the game continues until one player spells 'G.O.L.F.'

## Progression Ideas

- Vary the size of the targets
- Vary the distance to the targets
- Increase the number of letters in the game i.e 'G.O.L.F.E.R'
- Adapt the shot types when playing to the targets i.e depending on skill level change the trajectory or shot shape.

## Equipment needed

Golf Balls

# Battleships

Minimum 20 yards

## How to Play

- One player is assigned one side as their ships and the other child is assigned the opposite. The aim of the game is for players to destroy the opposing player's ships by landing the ball into the box
- Players must nominate the ship they are attempting to destroy. If they are successful, they pick up the cones and return it to the start
- The game continues until one player has destroyed all of the opposing players ships

## Progression Ideas

- Vary the starting point around the green
- Vary the club that is being used
- Vary the lie of the ball on the ground
- Change the distance between the starting point and the ships
- Change the size of the target ships
- Change the number of target ships

# Field Goal

Minimum 20 yards

## How to Play

- Players work as a team to accumulate the most points possible
- Nominate a player to play first.
- The first player attempts their shot and aims to get the ball through the posts to score a field goal
- If the player gets the ball through the posts they score 3 points. If they land the ball into the target circle too they score a touchdown, and a further 6 points
- The team reports their score at the end of the time allowed

## Progression Ideas

- Vary the starting point from around the green
- Vary the club that is being used

# Beat the Bunker

## How to Play

- Nominate a player to play first. Each team has 10 shots per round
- The first player attempts their first shot and aims to get their ball out of the bunker
- Players score a point for getting the ball out of the bunker first time
- Players hit 5 shots each to get a total score for the round
- The aim is to beat your team's best score each time

## Progression Ideas

- Vary the starting point in the bunker
- Vary the club that is being used
- Add additional points for getting the ball inside target circle

# Ladder Challenge

## How to Play

- Nominate a player to play first. Each child has 10 shots per round
- The first player attempts to pitch their ball into the gap between the first and second alignment stick
- If successful, then their partner aims for the gap between the second and third alignment sticks
- If they miss the gap the team have to aim for the same gap until they are successful
- The aim is to pitch the ball into each gap on the ladder before they run out of golf balls
- The game is complete if players have successfully hit each rung of the ladder after taking 10 shots each

## Progression Ideas

- Vary the distance from the first alignment stick
- Vary the gap between alignment sticks
- Add in more alignment sticks to create a longer ladder

# Crossbar Challenge

## How to Play

- Set a target score for the children to achieve
- The first child attempts to either throw or hit their shot to hit the foam noodle (crossbar)
- The children receive 1 point for hitting the crossbar with a throw, and 2 points with a golf shot
- Players take it in turns, until both have hit 10 shots, the aim is to achieve the target score as a team

## Progression Ideas

- Vary the distance to the crossbar
- Make multiple crossbars
- Specify which club to use

## Learning Outcomes

- Learn to control the distance the ball travels
- Understand how different trajectories can be successful

# Cone Crusher

## How to Play

- Allocate points for each of the targets. For example, 5 points for the holing out, 2 points for hitting a ball and 1 point for hitting a cone
- Children take it in turns to hit their chip shot and attempt to hit one of the targets
- If the child is successful they collect their ball and the target they hit and bring it back to the safety cones
- If they miss they should just collect their ball and it's the next player's turn
- Each player has 10 shots to hit as many targets as possible and score as many points as possible for their team
- At the end of the lesson see which team scored the most points for this game

## Progression Ideas

- Add or remove targets
- Vary the size of the gaps between targets
- Vary the starting point from around the green
- Add penalty points if the children hit a particular cone (the red cone, for example)
- Add a line behind the hole, which if the ball travels over then the child has to put back one of the targets they have hit

## Learning Outcomes

- Controlling direction and distance on a chip shot

# Mouse Trap

## How to Play

- Children take it in turns to hit their chip shot towards the cones that have been propped up with tees
- The aim of the game is to knock the cone so it traps the golf ball
- The children take it in turns to hit their shots
- The challenge is complete when the team manage to trap all the balls using the cones available

## Progression Ideas

- Vary the distance of the chip shot
- Add or reduced the number of traps
- Let the children roll the ball to trap it if chipping is too difficult

## Learning Outcomes

- Ability to control distance on a chip shot
- Ability to control direction

# Closest to the Line

## How to Play

- Children take it in turns to hit their chip shot towards the string line
- The child that chips the ball closest puts a ball marker down to mark the team's best shot so far
- When the coach calls to switch games they should make a note of how close the best shot was to see which team was able to chip the ball closest

## Progression Ideas

- Vary the distance of the chip shot
- Let each child nominate which club the other has to use when doing their shot
- Introduce a fringe in front of the player and the ball only counts if the first bounce lands over the fringe

## Learning Outcomes

- Ability to control distance on a chip shot

# Choose your Trajectory

## How to Play

- Give the target circles different points
- Each child has 10 shots and tries to accumulate as many points as possible for their team based on where the ball finishes
- In order to score points the player must hit the ball through the gap nominated by their playing partner
- The team try to score the most points from their 10 shots, and then try to beat that score on the next go

# Up the Ladder

### How to Play

- Players attempt to work their way up the ladder in order, starting by trying to hit their shots through the nearest gate
- If a child misses, the team remain on that gate
- If a child successfully hits the ball through the gate, they progress to the next step of the ladder
- The game is complete when the team have completed every step of the ladder in order

### Progression Ideas

- Make the angles more difficult
- Move the gates further away
- Reduce the number of chances a player gets to hit the ball through the gate
- Change the width of the target gates
- Introduce a rule where the ball must fly through the air and through the gate
