## Cognitive Effort

- The Whole Child theme this week is focussing on praising the effort that the children put into their games and practice.

- Give the target circles different points
- Each child has 10 shots and tries to accumulate as many points as possible for their team based on where the ball finishes
- In order to score points the player must hit the ball through the gap nominated by their playing partner
- The team try to score the most points from their 10 shots, and then try to beat that score on the next go

## Progression Ideas

- Specify which club must be used
- Change the size of the target circles
- Vary the size of the gaps created by the foam noodles
- Vary the starting point from around the green
- Add penalty points if the child is unsuccessful on getting the ball onto the green or in the target circles
