Bunny Hops

How to Play

- Split the children into even groups, ideally two groups of 3
- Number the children players 1 – 3
- Child number 1 starts with their hand on the starting cone
- On go, the child jumps with both feet or hops with into each step of the ladder
- The team that wins is the one who gets all players home first.

Progression Ideas

- Add extra goes for each child
- Decrease or increase the distance between the markers
- Play the game with different fundamental movements such as single leg jumping and alternative leg jumping
- Increase the number of steps of the ladder
- Increase the width of the ladder steps.

Cognitive Effort

- The Whole Child theme this week is focussing on praising the effort that the children put into their games and practice.
- Carry this theme into the class by suggesting the idea of additional practice sessions and being more attentive to coaching the children on the free practice station.

Playing and Scoring Ground Under Repair

- The Learning the Game focus this week is to make sure children understand about the rules for Ground Under Repair.
- You should demonstrate what they need to do and how to take a drop in the appropriate place.

Choose your Trajectory

How to Play

- Give the target circles different points
- Each child has 10 shots and tries to accumulate as many points as possible for their team based on where the ball finishes
- In order to score points the player must hit the ball through the gap nominated by their playing partner
- The team try to score the most points from their 10 shots, and then try to beat that score on the next go

Progression Ideas

- Specify which club must be used
- Change the size of the target circles
- Vary the size of the gaps created by the foam noodles
- Vary the starting point from around the green
- Add penalty points if the child is unsuccessful on getting the ball onto the green or in the target circles

Learning Outcomes

- Controlling strike to get a consistent trajectory
- Understanding the loft of the club and it's influence on trajectory
- Develop the ability to control the flight of the ball, hitting different trajectories, using the same golf club

- If successful and the ball stays in the box then the opposing player plays the ball from wherever it finishes. If the ball rolls out of the area then the opposing player places the ball on the base line and plays their shot from there
- The game can be scores like tennis, where if a player misses the box then the opposing player scores 15 points, alternatively they can score 1 point
- The game continues until a player wins the game like in a tennis match, or until a player scores 5 points
