Building your Course Template

ACADEMY COURSE
ACADEMY TEE

Use the table below to build your 5 stage teeing system course ready for your playing event. Record the information in the table and use this to transfer onto your Scorecards that you distribute to each participant on the event day:

Hole Number	Hole Number at your Course	Academy Tee Yardage	Par	Birde Tee Yardage (80%)	Eagle Tee Yardage (60%)	Albatross Tee Yardage (40%)	Ace Tee Yardage (20%)
1							
2							
3							
4							
5							
6							
7							
8							
9							
Total							

Building your Course Template Map

As you build each of the holes on your course, use the guides below to mark the position of each of your teeing positions to help when setting up your tee markers. Add a note to mark a feature on the course to help locate the teeing position when setting up your event.
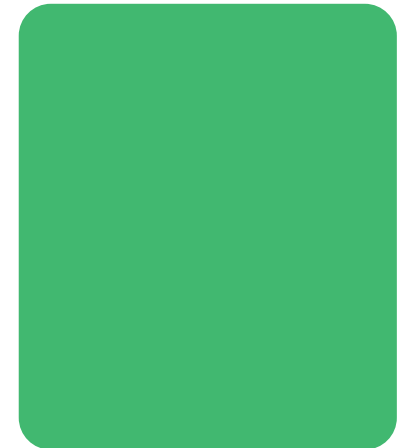

ACADEMY COURSE
ACADEMY TEE

Example	Hole 1	Hole 2	Hole 3
