

JUNIOR ACADEMY PROGRAM

A structured and social programme, with weekly class over 6 progression levels designed to get your child club and course ready!

About the Program

Our Junior Golf Academy Program is designed to provide your child with the skills, knowledge and experiences to become club and Course Ready so that golf can become a game for life!

Built with fun at its centre, your child will receive access to expert coaching with our team of PGA Professionals.

What's Included

- **Age Based Weekly Classes**

We offer classes across different age groups each week bookable in blocks of sessions.

- **Registration and Welcome Pack**

A one off registration will give your child access to our welcome pack and additional benefits.

- **Structured Curriculum**

Each class explores skills across different learning outcomes
