# Step 6 - Post Skills Pathway Class or Level

Please find listed below the recommended actions that you need to take during this step of implementation. This stage is all about following up with your Skills Pathway participants to gain feedback and further engagement in the program:
Distribute your Post Skills Pathway Class Communication

This communication should include information relating to the previous class, what was covered and the date of the next class.
Distribute your Post Skills Pathway Level Communication

This communication should include information relating to further programming opportunities at the club and the next progression level within the program. Use the methods below to communicate this. You can find the template communication within the Skills Pathway page of the Toolbox.
