Swing Games - Layout and Setup

The graphic opposite provides an example image of how we suggest you layout your class so that the learning outcomes and activities can be delivered in a safe, fun and engaging manner. We suggest running the class as follows:

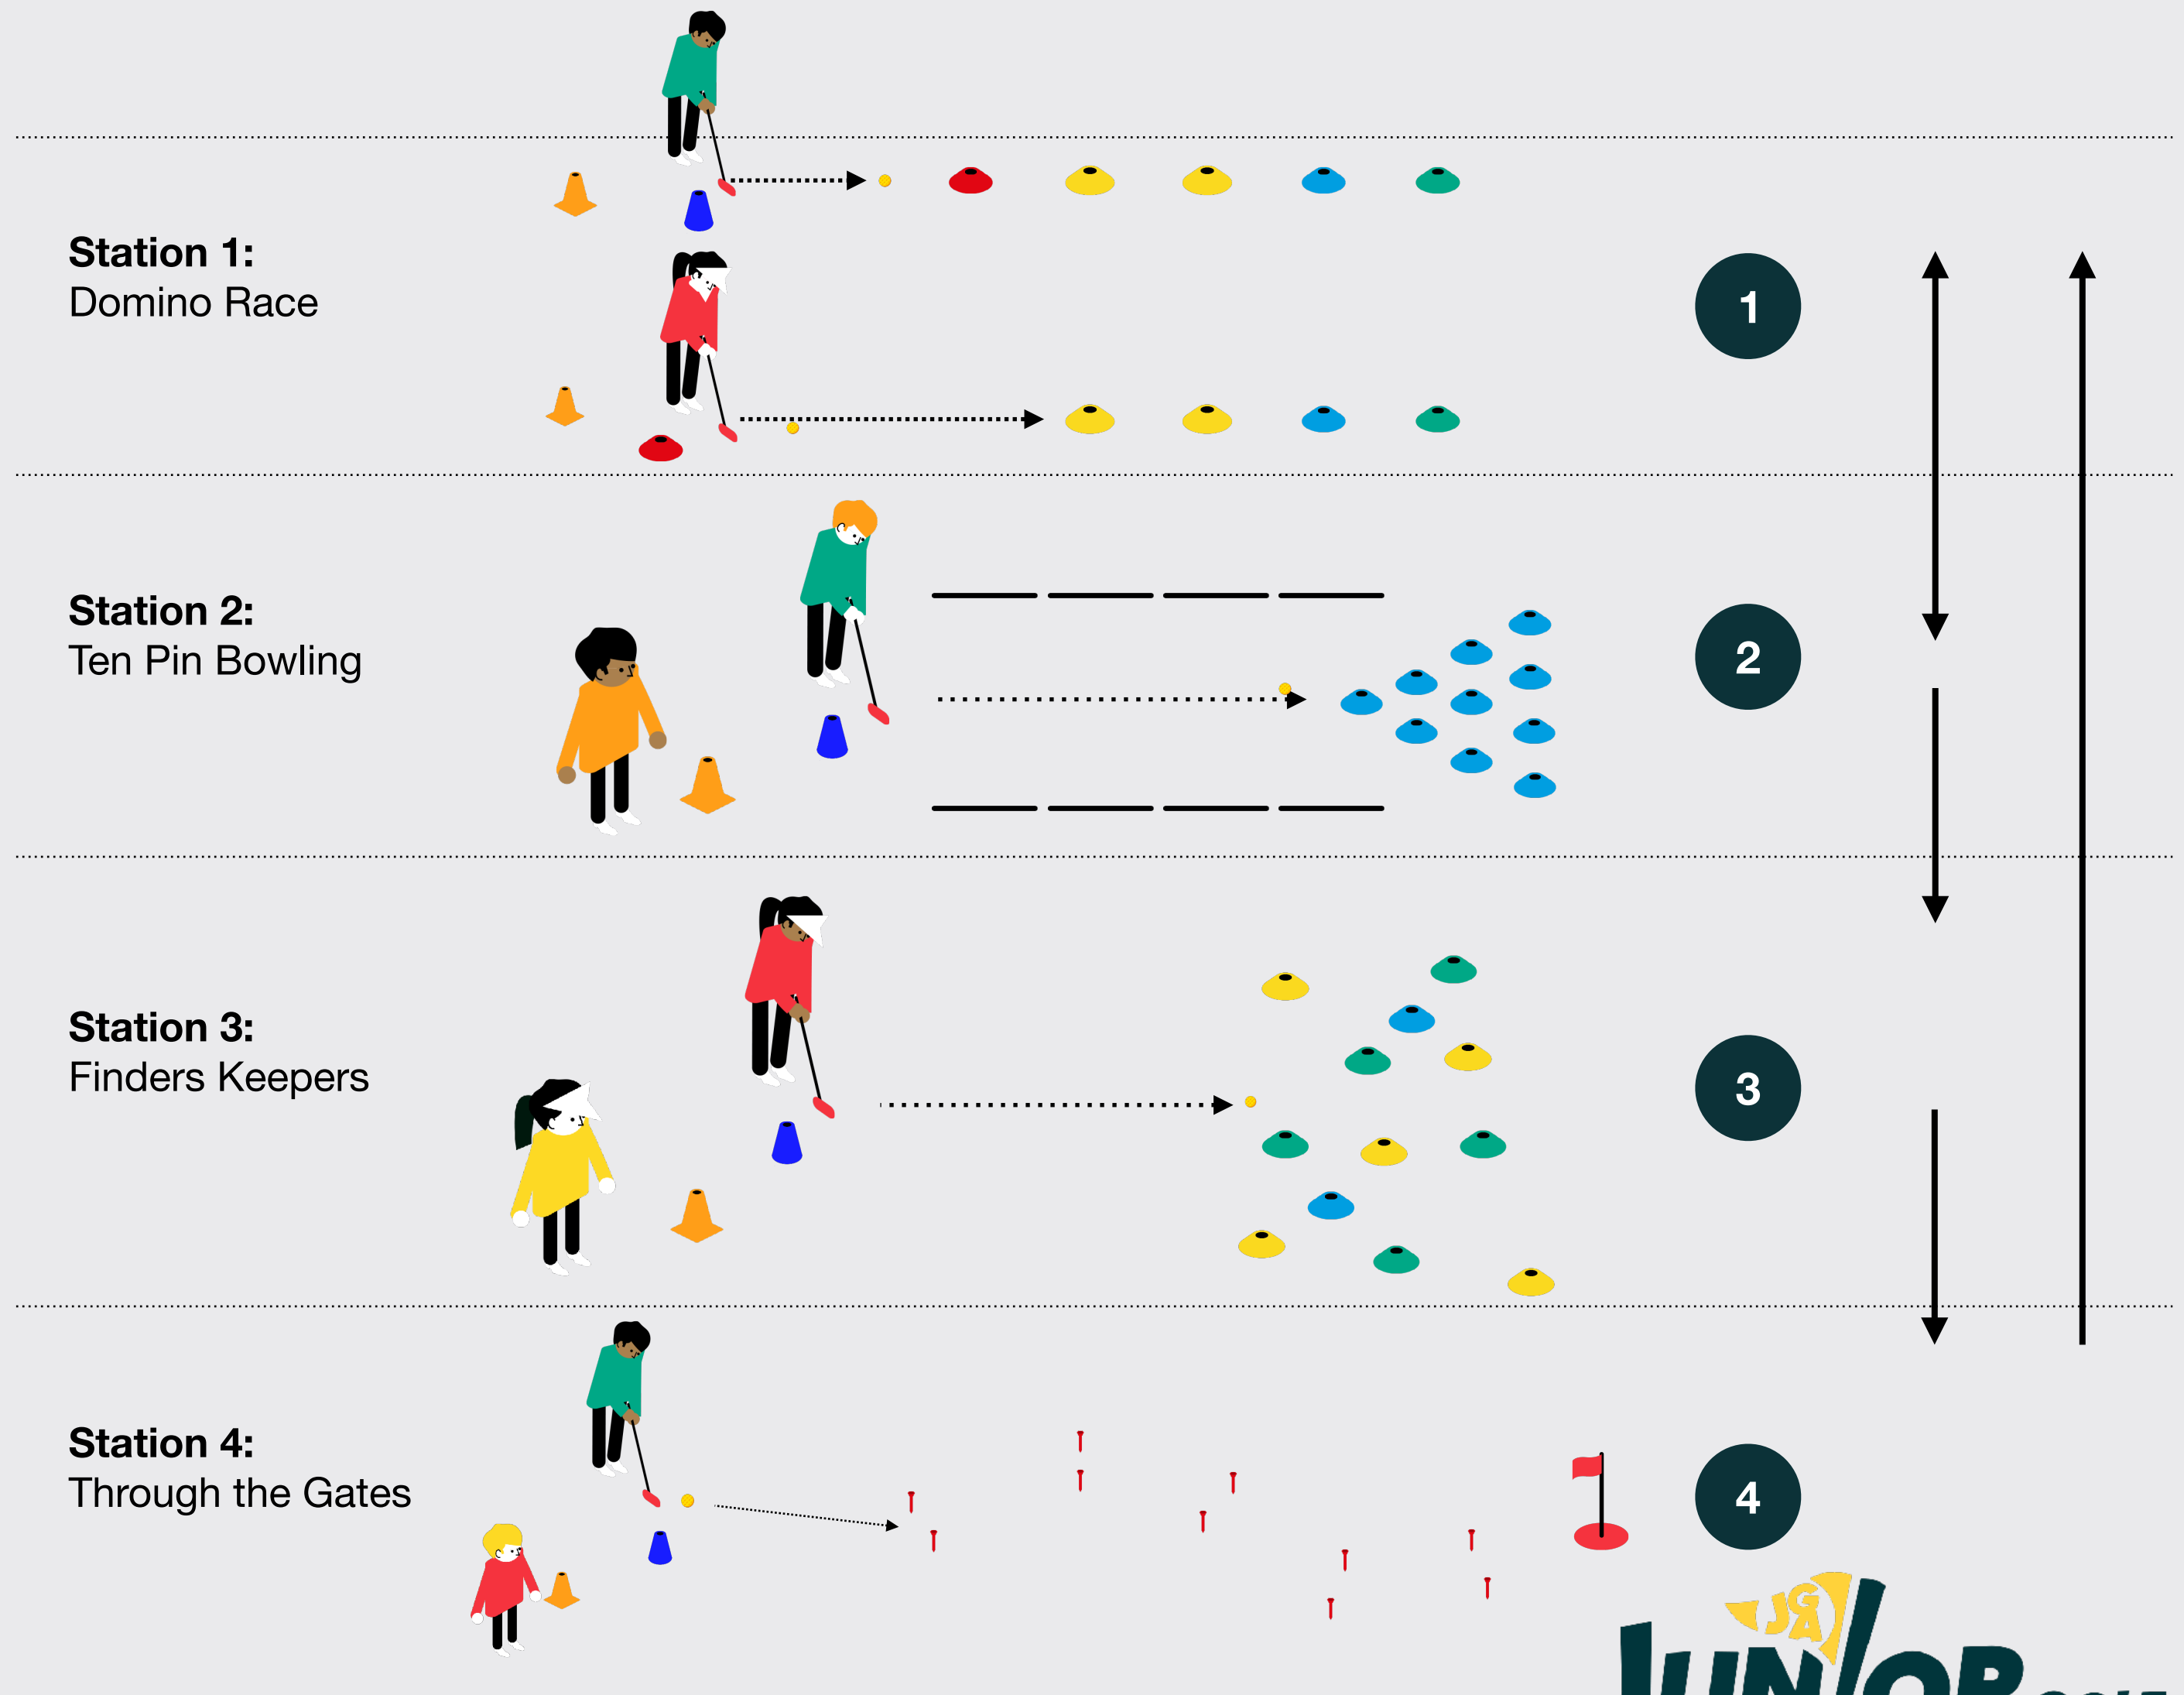

- Stations 1, 2, 3 and 4 are **Game Stations**. At these stations the children play in pairs or play the games independently with supervision from the coach
- Children should rotate around the station and have approximately **10 minutes** to spend at each station. Each child should get an opportunity at each station during the class
- At the end of the session, the children can play one of the games as a group to add a social element to the class
- Safety is your top priority when running your class, please remember to;
 - Add your orange safety cones behind each station to identify to the children where they are required to stand when not hitting from within the hitting station
 - Dividers should be used to identify to hitting stations
 - Baskets should be placed to right to the side of the children and behind the hitting area
 - Children should never go in front of the hitting stations to collect a golf ball or golf club
 - Children should always exit the hitting stations from the rear by crossing the orange safety cones
 - Children should collect the golf balls in a group with all equipment left at the stations

On the Green Games - Layout and Setup

The graphic opposite provides an example image of how we suggest you layout your class so that the learning outcomes and activities can be delivered in a safe, fun and engaging manner. We suggest running the class as follows:

- Stations 1, 2, 3 and 4 are **Game Stations**. At these stations the children play in pairs or play the games independently with supervision from the coach
- Children should rotate around the station and have approximately **5-7 minutes** to spend at each station. Each child should get an opportunity at each station during the class
- At the end of the session, the children can play one of the games as a group to add a social element to the class
- Safety is your top priority when running your class, please remember to;
 - Add your orange safety cones behind each station to identify to the children where they are required to stand when not putting within a station
 - Children not putting from within their station should place the putter on the ground
 - Only one golf ball is required for each junior

Fundamental Movement Skills (FMS)

During your Warm Up Game, explore a range of Fundamental Movement Skills (FMS). The children should be encouraged to experiment and develop these movements and you can tailor the difficulty of the specific movement to each child or warm up game.

Kick

Explore this skill using both feet, different parts of the foot and kicking in the air and on the ground

Throw

Explore this skill using both arms, underarm and overarm throws as well as at a range of heights

Skip

Explore this skill using a rope and in dynamic motion at a range of speeds

Run

Explore this skill at a range of speeds, and going backwards

Hop

Explore this skill by alternating legs on the spot and in dynamic motion

Side-step

Explore this skill by alternating sides, touching heels and crossing legs

Dodge

Explore this skill by getting the child to dodge static and dynamic obstacles at a range of heights

Jump

Explore this skill by exploring the movement in multiple directions

Stand on one leg

Explore this skill by exploring balancing on both legs

Cognitive Growth Mindset

The Whole Child theme for the Fun Day is to encourage a growth mindset in all challenges that the children face.

Examples of this could be not giving up when faced with a difficult game or challenge.

Taking the time to highlight this to the parents and children at the end of the Fun Day will reinforce the characteristics that embody the *Junior Golf Academy* Junior program.

**JUNIOR GOLF
ACADEMY**

Reinforcing positive behaviours

There are lots of ways to reinforce the positive behaviours we want to see in your junior golfers.

Non-verbal reinforcement:

- Thumbs up
- Nod of your head
- A smile

Personal verbal reinforcement:

- “Love that attitude”
- “That’s the attitude we’re looking for”
- “Great effort, keep it up”

Group reinforcement:

- Stop the class, get everyone together, and highlight the behaviour you observed, and why you liked it
- Awarding the Achiever reward at the end of the lesson is a great opportunity to reinforce positive behaviours
- Be sure to pinpoint two or three moments in the lesson that stood out to you and praise the children involved

Preparing to Play

Safety

The Learning the Game focus for the Fun Day is about playing safely.

You should highlight to the children that it is really important to play safely both on the practice area and on the course.

Make sure the children are aware of where they need to stand when someone is playing a shot and what to do when they hear the word “Fore”.

Take the time to reinforce these important points throughout the day.

JUNIOR GOLF
ACADEMY

Questions to Ask

- Why is it important that we play safely?
- What do you do when you hear the word “Fore” being shouted?
- Where is a safe place to stand when someone is playing a shot?

On Course Experience

For the last 10 minutes before the awards ceremony, you should take the children out to see one of the golf holes, where they will be playing if they decide to sign up to the Junior Golf Academy program.

Enjoy exploring the course, and introducing the children to the different parts of a golf hole.

Awards Ceremony and Promotional Activity

At the end of the Fun Day leave enough time to present the children with some small awards based on the group's performance on the course and the Whole Child theme for the day. Be sure to engage parents when explaining why the awards are being given out.

Highlight that one of the keys to the success of the program is the ability for juniors to play on the course no matter what their level of experience, or ability.

Communicate the passion you have in creating golfers for life, meaning their children will learn to enjoy playing golf with friends and family.

1. Regular Communication

We will communicate regularly to inform parents of upcoming events.

2. Social Engagement

All program classes, events and life at the club promote fantastic social engagement for their child and the whole family.
