SCORECARD COLUMNS

- Score - Use this column to mark the total number of shots recorded on each hole including penalty strokes
- Drive Distance - On Par 4 and 5's, record the total distance of your drive that finishes on the fairway
- Fairway in Regulation - Record with a tick if the ball finished within the fairway boundary on Par 4 and 5's
- Green in Regulation - Record with a tick if the ball finished on the green in 1 shot on a par 3, 2 shots on a Par 4 and three shots on a Par 5
- Total - Record the total number of putts taken on the green including putts from the fringe.

MARKING THE SCORECARD

- We recommend recording the information to the scorecard at the end of the hole at the next teeing position
- You should record the most important information for your game or based on guidance given to you by your instructor
- Total each column at the end of each 9 holes, and at the end of play
- Review the Scoring Goal challenges for each column on the back of this scorecard

WHAT TO DO NEXT

- Navigate to the myGame+ feature on GLF. Connect
- Select myPathways
- Navigate to the On Course tracking feature
- Complete the 'Log a Score Wizard'
- If you complete a challenge across the scoring goals, mark these as complete within the Scoring Goal Challenges progress wheel.
